

Kelley Fox Wines Durant Vineyard Chardonnay 2023

I love the Durant Chardonnay so much that when the opportunity arose in 2023 to increase its production, I jumped on it. The 2023 is a radiant, light sunshine yellow with shining, pale gold tones and is brilliantly transparent. The nose is very fresh and filled with layers of creamy citrus. The mouth continues the mixed citrus with some noticeable structure along with soft minerals and vanilla bean. The 2023 has beautiful texture and a lasting finish with a hint of pain grille that balances the fruit.
